

## **MODULAR INSTRUCTION**

**Description of Activity:** School districts desiring to enhance the Family and Work Connections course may utilize Perkins funds to purchase modular instruction curriculum units and equipment. This integrated, interactive system combines exciting hands-on activities, captivating multimedia presentations, and comprehensive student assessments to enable students to learn and develop skills at an individual pace. Required #1 – Strengthen Academic, Vocational, and Technical Skills; Required #3 – Expand Use of Technology; Permissive #4 – Provide for Special Populations; Permissive #8 – Purchase of Equipment; Permissive # 11 – Support FACS Programs.

**Curriculum:** Schools must currently have an approved program of study in a family and consumer sciences area, offer the semester course Family and Work Connections, and maintain the program for a total of five years after the addition of this activity.

**Inservice:** All training for modules purchased will be provided by the vendor. Please contact the vendor directly for training information, cost, and schedule. No equipment will be approved unless the inservice component is addressed.

**Cost:** The total cost of this activity should not exceed \$34,000.

# Modular Instruction
